

OUR WAVE

Ayaan Azfar

is awarded this certificate for the successful completion as an iOS Developer Intern at
Our Wave Hub in a co-op placement on August 4, 2022.

The Summer Swift co-op placement was jointly designed by Our Wave Hub and Apple Canada. Each intern received hands on training in Swift, design thinking, entrepreneurial frameworks, user journey mapping as well as brand positioning. The experience culminated in each intern submitting an app and presentation in which they presented a solution for a real-world problem that was self-selected.
